

HAYLING ISLAND CAMERA CLUB

DISTINCTIONS GROUP

If you are interested in obtaining an RPS Distinction, then enjoy the support of the Distinctions Group. As well as help and advice from our own members, we are extremely grateful to Chichester Camera Club, whose LAF Group are offering us help and guidance.

Members may join this group at any time and take advantage of as much or as little support as they wish – but it really does make a difference to work with others heading in the same direction.
